## **BLUE VOYAGE BY LUXURIOUS GULETS**

***For those who look for a great journey of a lifetime experience...***

*We invite you to enjoy blue cruises and yachting holidays with utmost attention; motor yachts, Turkish Gulets or sailing yachts are crewed yacht charter options.*

*With over 8.333 kilometers of coastline along the four seas, Turkey is a treasure chest of coves, inlets, bays and beaches at which yachtsmen can choose a different and private anchorage each night. The sailing paradise of Turkey is also home to Blue Voyage. This idyllic cruise means sailing with winds, into coves and over the seas and becoming one with nature. It is also an experience of the history of man from the land, a journey that will carry you to the private beach of Cleopatra, the eternal fires of remains of ancient civilizations.*

*Turkey is considered to be the cradle of numerous ancient civilizations such as Hierapolis, Ephesus, Halicarnassus, Olympos, Phaselis, Letoon, Xhantos, Patara, which are nowadays called, Bodrum, Marmaris, Gocek, Fethiye or Antalya.*

*You will pass through nature and at the moment you will watch all the beauty of nature, the islands and the untouched bays.*

*In the thousands of year old historic cultural estate of Likia, after a swim, **you will have your self-caught fish, cooked by your own chef' and enjoy drinks with friends.***

*From the moment you step on board everything combines to make you feel pampered and special. There will be many opportunities for water sports, activities, and sightseeing. During the day you may cruise for a few hours and sail if the wind allows. Closer to lunch and dinner the anchor is dropped in a solitary bay or inlet, alongside a small village or a mooring of a small island. At every stop, there will be opportunities to swim, fish, snorkel, windsurf, sunbathe, take a trip ashore to see the sights, or read on the deck sun-beds. There will be lots of recreation and relaxation. Your friendly and attentive crew will consist of a captain, cook and a couple of seamen. Their job is to make sure that your are taken care of and that your needs are well met.*

*The intimacy between Mediterranean Sea and the nature, the ancient civilizations of three thousand-years-old, classical arts and mythology creates exciting new adventures in your soul.*

*Take a gulet cruise along the turquoise coast of Turkey, through the Greek Islands and enjoy total relaxation, beautiful food, and superb swimming - the perfect vacation.*

*Let us help you for a great journey of a lifetime experience...*
